CHAIRMAN,
PUBLIC RELATIONS AND COMPLAINT COMMITTEE,
ACCRA METROPOLITAN ASSEMBLY.

Dear Sir,

COMPLAINT

HAWKERS TAKING OVER THE SPACE IN FRONT OF MY SHOP

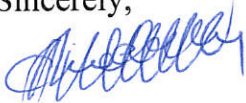

I am a shop owner at Kaneshie Market and this is to raise concerns on the fact that some hawkers at the market are taking over the space in front of my shop and attempt to take them away from there has proved futile.

The issue is that, anytime I confront them about why they are in front of my shop, they give excuses that people do not come to the markets to buy their wares hence the reason for them coming outside.

It is sad to note that, gradually most hawkers in the market leave their shops unattended to and come to the streets with their wares sometimes causes traffic leaving the whole place congested.

In view of this, I would like to call on the PRCC to address this issue immediately by sending all the hawkers on the streets away.

Sincerely,

Manuel Lamptey
