ACCRA'S SANITATION CHALLENGE: DISRUPTION IN COLLECTION OF WASTE

The Accra Metropolitan Assembly (**AMA**), wishes to inform the general public that, drivers of **Zoomlion Ghana Limited (Accra Zone)** have withdrawn their services from the city this morning without any official notice to the Assembly.

In view of the situation, there are uncollected solid waste at various locations across the city.

The assembly has therefore deployed Tipper Trucks to collect all heaps as a temporal measure to manage the situation.

The Assembly wishes to assure the public that it is working around the clock to bring the situation under control.

SIGNED.
